## CALL FOR NOMINATIONS FOR SFRR-E MEETING OFFICER

Dear colleague,

As SFRR-E Meeting Officer Prof. Daniela Caporossi has recently been elected President Elect and will start the new term on January 2019, we open a **"Call for Nominations" for SFRR-E Meeting Officer**.

**Nominations for Meeting Officer should be seconded by two other members and should be sent online through the SFRR-E website (<https://www.sfrr-europe.org/>)** as a single pdf file including a short section of text (maximum 200 words) written by the candidate outlining relevant experience for the position and why she/he wants to do this role. This pdf file will be posted on the SFRR-E website in the intranet available only for members, so that it can be read before the members vote. As a registered user of the SFRR-E intranet you will have access to submit your nomination when you login into the website (<https://www.sfrr-europe.org/>) and select the option "Call for Nominations for SFRR-E Meeting Officer" in the menu on the left. **The deadline to receive nominations is 15th September 2018.**

**From the 1<sup>st</sup> October until the 31<sup>st</sup> October 2018, members may vote electronically** via a secure online voting system within the SFRR-E website (<https://www.sfrr-europe.org/>) for the position available by election.

Looking forward to receiving your nominations.

We appreciate your support to SFRR-Europe.

With best regards,  
Juan Sastre
